BALANCE

7 rules to use ChatGPT at University

1. I use ChatGPT just in my areas of knowledge
2. If I use ChatGPT for the unknown, it doesn't fool me; I fool myself
3. ChatGPT is a great exploration companion as long as you don't forget it is just exploration process
4. I should never let ChatGPT do my job for me
5. I force myself to improve my work with the help of ChatGPT
6. I don't use ChatGPT to get what I find with a simple Google search
7. If ChatGPT's response is poor, I need to rephrase my question

Conclusion

- We make something with AI and AI makes something with us
- The benefits of the use of IA depend on the previous offline-life
- IA Works as an anthropological prothesis ... enlarge what we already are
- Content, Use, Form and Balance may be a Good way to start
